- Qualifications for the Lions Club scholarships are of the broadest nature. Each year, graduating high school students having a resident address within the Saratoga Springs City School District will have equal opportunity to qualify.
- These Scholarships will be awarded to students attending a two or four-year accredited institution or Career Technology Education School. The scholarship will be available to the recipient in installments after the successful completion of the first semester of each year. An up-to-date transcript presented to the Lions Club will serve as proof of qualifying achievement. Scholarship awardees must complete at least 12 credit hours per semester, meeting graduation requirements each semester, and attaining a minimum GPA of 3.0.
- A student's high school academic record is only one milepost of evaluation. Additional areas, as shown on the application, will have a greater added value during the selection process.
- **SPECIAL ATTENTION WILL BE GIVEN TO THE QUALITY OF THE ESSAY BASED ON THE "LIONS CLUB INTERNATIONAL MOTTO OF: "WE SERVE."** STUDENTS SHOULD DESCRIBE ANY EXPERIENCES THEY HAD HELPING OTHERS AND/OR SERVING THEIR SCHOOL AND COMMUNITY.
